### **DETAILED ACTION**

Claims 1-12 are currently pending in the instant application and appear allowable over the prior art of record. Applicants' cancellation of claims 13-19 along with the submission of the translation of the foreign priority document and the statement that the translation of the certified copy is accurate has overcome the 35 USC 102(a) rejection.

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Barbara E. Kurys on 22 August 2006.

The application has been amended as follows:

1. Amend the abstract by indenting line 6 and by deleting the blank line 8.
2. Cancel claims 13-19.

### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance. This invention relates to products of the formula I. Applicants' cancellation of claims 13-19 along with the submission of the translation of the foreign priority document and the statement that the translation of the certified copy is accurate has overcome the 35 USC 102(a) rejection and not introduced any new issues. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid
